Complete Air Conditioning Solutions

Trusted service support for homes, offices and commercial spaces

31 years of experience. One dependable AC service partner.

Meenaakshi Associates provides air-conditioning services in Coimbatore, with experience across breakdown servicing, annual maintenance contracts, new split AC installation and relocation.

Our focus is on understanding each requirement, providing suitable service solutions and helping customers maintain comfortable indoor spaces.

About Meenaakshi Associates

Experience, technical understanding and a customer-focused approach

31 Years of Trust. Experience. Comfort.

Based in Coimbatore, Meenaakshi Associates is dedicated to delivering reliable air-conditioning services for residential and commercial requirements.

Our work covers AC breakdown calls, Annual Service Maintenance Contracts (ASMC), new split AC installations and AC relocation. We aim to build lasting customer relationships through practical solutions and dependable service.

Our Core Services

Four essential services to support your air-conditioning needs

01 AC Breakdown Service & Repair

Service support for different types of air-conditioning systems

When your AC stops working, timely attention matters.

- AC not cooling properly
- AC not switching on
- Water leakage concerns
- Unusual noise or operational issues
- Electrical and functional faults

We inspect the reported issue and recommend a suitable repair solution based on the system condition.

02 Annual Service Maintenance Contracts

ASMC – planned care for your air-conditioning systems

Preventive maintenance helps keep AC systems in better working condition.

- Scheduled preventive maintenance
- Periodic inspection of AC systems
- Cleaning and maintenance as per agreed scope
- Early identification of potential issues
- Maintenance support during the contract period

Contract scope and visit frequency can be discussed based on your requirements.

03 New Split Air Conditioner Installation

Professional setup with attention to placement and system checks

Planning to install a new split AC?

Proper installation supports efficient operation and long-term performance. Meenaakshi Associates undertakes new split AC installation based on the site and equipment requirements.

- Indoor unit positioning and mounting
- Outdoor unit placement
- Refrigerant piping connections
- Drainage arrangement
- Operational checks after installation

04 Air Conditioner Relocation

Move your AC with you when you shift homes or offices

Shifting to a new location? We can help relocate your existing AC.

- Dismantling of existing AC units
- Careful handling of indoor and outdoor units
- Relocation to the new premises
- Reinstallation at the new location
- Operational checks after installation

Relocation requirements are assessed based on the new site and existing installation.

Why Choose Meenaakshi Associates?
